“Program Notes”

Feel free to draw pictures here, I did not have time to get the notes this time.

I would like to thank my assistant Britt Van Voorn who helped with all band/orchestra computer needs which was working on budget, rosters, helping with program notes, etc.

I would like to thank my music manager Julaine Chilopoulos for filling all music needs from both filing to making sure all students had the needed parts for 8 ensembles.

CYNTHIA SNYDER
Band/Orchestra Program Teacher

Cynthia Snyder has her credential in Instrumental Music K-12 and a Bachelor of Arts in Music for the Violin from California State University, Northridge. She also has a masters in technology and education. Cynthia Snyder came to Chaminade College Preparatory in October of 1991 founding the band program with 15 students. The program grew to include over 100 students. This year has a very dedicated enthusiastic group of students.

Ms. Snyder currently teaches Beginning Band, Intermediate Band I & II, Advanced Band and Composition, Jazz Band, Beginning Strings, Orchestra and Concert Band. During the past 2 years, she created “30 Days of Band” on Band Potato YouTube for multiple instruments to help students learn.

Her philosophy is that everyone should be able to participate to the best of their ability in any and all of the available groups regardless of how proficient a student thinks they might be. A high value is placed on students’ participation, effort, teamwork and personal responsibility. Band/Orchestra is a way to learn life lessons through learning a musical instrument.
