Playing an Instrument...

- Makes You Smarter
- Teaches Discipline
- Relieves Stress
- It's Fun!

"Band taught my son discipline, self confidence, and an appreciation of music. He met people who teach and play music. Most of all it gave him the ability to read notes and to entertain!

I recommend Chaminade's band program first and foremost among all other exploratory classes." Parent

As an incoming sixth grader, band was a really good way to meet people I made friends in band who I know will be my friends for life. Former student

"You'll learn life-skills including organization and time management. Band will challenge you to become a musician, a strong student, and a responsible individual.

I accidentally joined band in the 6th grade. It was fun. It was awesome. It was a life-changing experience." Medicine/Music Composition Major now works in a Hospital Emergency Room
